

The weather is turning warmer and many community members are out enjoying the sunshine. Thank you to everyone who utilized our dumpsters for the city-wide cleanup!!! 63 Tons of trash was hauled away. It was great to see community members cleaning up and getting ready for summer. Also, a big thanks to our youth council who cleaned up the Welcome-to-Garland signs this last month. Thank you to our community members and Youth Council for helping keep our community looking great!

### **Garland City Street Sweeping**

Wednesday and Thursday, May 8th and 9th Garland City will be paying to have a street sweeper clean our roads. During these days please NO on-street parking and pull garbage cans into your driveway so we can get our streets and gutters clean!

### **Garland City History and Wheat & Beet Days**

We appreciate those individuals who have submitted photos for our history wall. It is coming along nicely. If you haven't already submitted photos, you haven't missed out, please contact Jeanette Atkinson so we can add them to our city history.

Garland's Wheat & Beet Days booth applications are available online on our city website. If you or someone you know is interested, we encourage early registration to ensure you get a spot. We also have other opportunities for individuals and families to come and get involved in the city celebration! Contact Jeanette Atkinson at [jeanett@garlandutah.org](mailto:jeanett@garlandutah.org) for more information on how you can help.

### **Special Olympic Torch Run**

Garland City residents will once again have the chance to cheer on the Special Olympics Torch Run on May 17. The torch run will begin at Garland Elementary at 10:00 am and go south on 100 W to 700 S, east to Main, south on Main to 800 N

Tremonton in front of BRHS, west on 800 N, South on 100 E by North Park Elementary, south to 600 N, west on 600 N to 800 W, south in front of Alice C Harris to 350 N, East to 400 W, south to 350 N, east to Tremont Street, South to the Tremonton City Building.

We encourage citizens to come out and cheer on these amazing kids.

### **Parks and Recreation**

All registrations for sports are done online at [garlandcityyouthsports.com](http://garlandcityyouthsports.com)

Spring Soccer is in full swing with games being played on Tuesdays and Thursdays starting at 6:00 pm behind the Garland Elementary School.

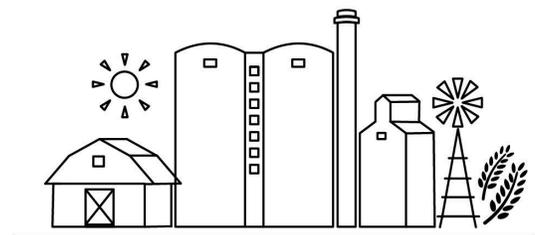

T-Ball, Pitching Machine, Minor & Major League Fast Pitch Baseball, and Ponytails Fast Pitch Softball - Registration is open through May 13th.

Football Registration begins on May 1st.

Rocky Mountain School of Baseball is currently playing ballgames on Saturdays from 9 am to 5 pm.

### **Cook Shack - Now Open Saturdays**

The cook shack is now open during Baseball and Softball games on Saturdays. All proceeds during these games will go to the library. All community members are invited to visit the park and purchase food from the cook shack!

## Library

Come one, come all to the Garland Public Library's Summer Reading Kickoff! Our kickoff party will be held on Friday, May 31st from 4:30 to 7:00 pm at Garland City Park. This year's theme is 'Reading is Your Ticket to Adventure'. We will host a Carnival event with booths, food, and fun for the whole family! We will also host a movie in the park at dusk. Visit our website and social media pages for more information coming soon. It will be a ton of fun, so make sure to come join us!

The Garland Public Library is open during construction during our normal business hours. Construction is starting on the front of the building, so please use the downstairs entrance on the west side of the building. While construction is ongoing all materials will need to be returned inside. There is a desk downstairs to help with checking materials in and out.

*\*\*If you have any questions please don't hesitate to give us a call. 435-257-3118 option #5. \*\**

## BRAG (Bear River Association of Governments) is offering a home Weatherization grant for low-income households.

This grant is funded by the U.S. Department of Energy, U.S. Department of Health & Human Services, Rocky Mountain Power, and Dominion Energy.

With federal and utility funding, BRAG provides a range of services, such as attic insulation, wall insulation, air sealing, and more, to improve your home's energy efficiency at NO COST to the applicant.

To apply for this program, please call BRAG at 435-752-7242 and ask for WEATHERIZATION. or visit

<https://brag.utah.gov/depts/weatherization-crisis/>

## Emergency Preparedness

Communication is often the first thing lost in an emergency. Reliable and true information sources are essential during a disaster. Not all sources will be available depending on the emergency.

Knowing and having multiple ways of giving and receiving information will help you "Be Ready" to communicate and be reunited with family and friends. Get started by:

- Establishing an out-of-state contact for family members to call and report status and location in the event of an emergency.
- Establishing an outside-the-home emergency meeting place.
- Establishing an outside-the-neighborhood emergency meeting place.
- Gather and maintain emergency communications supplies.
- Learn the emergency communications plans for your city, schools, and places of employment.

Learn more about emergency communication at [fcc.gov/emergency](http://fcc.gov/emergency).

RE: Lakeshore Community Update

A Warm Hello to Our Friends and Neighbors!

All of us here at Lakeshore are thrilled to be calling Garland home as we bring our newest distribution center to this wonderful community! As an introduction to who we are, Lakeshore is a teacher-driven educational company serving schools and families across the country with safe, high-quality learning materials and classroom furniture. In 1954, we opened our first brick & mortar store in Northern California, and we've grown quite a bit over the years—now with over 60 stores nationwide, a thriving e-commerce business and a national sales force.

As our business continues to expand, we recently began looking for the ideal location for our third distribution center, adding to existing locations in California and Kentucky. After spending time in Garland and the surrounding region, we discovered an engaged, hardworking community that is a great cultural fit for Lakeshore—and the perfect home for our newest, state-of-the-art distribution center. Construction for the center, located at 415 Factory St., began in 2023 and will be completed by early 2025. We'd like to extend our heartfelt gratitude for your continued patience and understanding during the construction process. We know this process can be disruptive, especially to those who live close by, and we hope you will bear with us for a few more months. After construction winds down, Garland residents can expect many new job openings—with hiring beginning this August. We hope many of you will consider joining our team.

As we've been settling in over the last few months, Lakeshore has been honored to host a variety of community-focused, family-friendly events to get acquainted with our neighbors in the local region. In February, we spent a day at the Megaplex Theatres Ogden and had the privilege of giving away free popcorn and cotton candy to moviegoers. In March, we hosted a free children's storytime at the Bear River Valley Senior Center for children and families, and local authors Steven Heumann and Sheree Elaine were on-site to read their books to the children. In April, we enjoyed hosting a full day of free admission at Zootah in Logan—complete with character visits, entertainers and more.

Lakeshore has many more fun-filled events planned for the rest of the year, and we'd like to personally invite you to attend! Upcoming opportunities include:

- Come meet Lakeshore at the Center Street Market in Logan on June 5
- In July, swing by the Lakeshore booth at the Ogden Pioneer Days
- Enjoy Lakeshore-sponsored fireworks at Garland's Wheat and Beet Days in August

We are beyond grateful for the warm welcome we've received from the many community members we've met so far, and we look forward to introducing ourselves to many more of you in the days ahead. Thank you for everything you do to make Garland such an amazing place to live and work, and we hope to greet you in person very soon!

Sincerely,

Artin Ghazarian  
Chief Supply Chain Officer  
Lakeshore Learning Materials
