

As December rolls in, we're excited to kick off the holiday season with Frosty Fest! There is something special for everyone this month. Whether you're enjoying holiday treats, participating in local traditions, or simply soaking in the winter wonderland around us, we hope this December brings warmth, joy, and plenty of cherished memories.

City Offices will be closed on December 25th to celebrate the Christmas Holiday.

Garland City Frosty Fest

Get ready to spread some holiday cheer and show off your creativity at the Tree Festival during Frosty Fest! Bring your tree to the park to decorate on **November 30th from 9 AM to 12 PM** or **December 2nd from 10 AM to 12 PM**. Then, join us for an evening of festive fun on Monday, **December 2nd from 5:30 to 8 PM at City Park!** Enjoy delicious holiday treats, cheerful music, and a special visit from Santa, who'll be arriving at 6 PM! Please bring your family and friends for a night filled with laughter and holiday spirit. In the spirit of giving, we kindly ask that you bring a donation for the food pantry to help those in need this holiday

season. Don't miss out on this magical start to the holidays—we can't wait to see you there!

Reminder for Business Owners

All commercial business locations are required to have a fire inspection to renew their business license for the 2025 year. Please schedule an inspection as soon as possible to ensure compliance with safety regulations and avoid any delays in the renewal process. To schedule, please call or text Cheif Harrington directly at 435-452-1952

Garland City Water

The city is continuing the process of replacing water meters. These water meters have not been transmitting electronic readings into our accounting system, but the meters have still been recording the water usage to your home. If you notice an increase in your water bill over the next few months, please contact our city offices. We will be happy to review your account and address any concerns. Thank you for your understanding as we work to improve our water metering system.

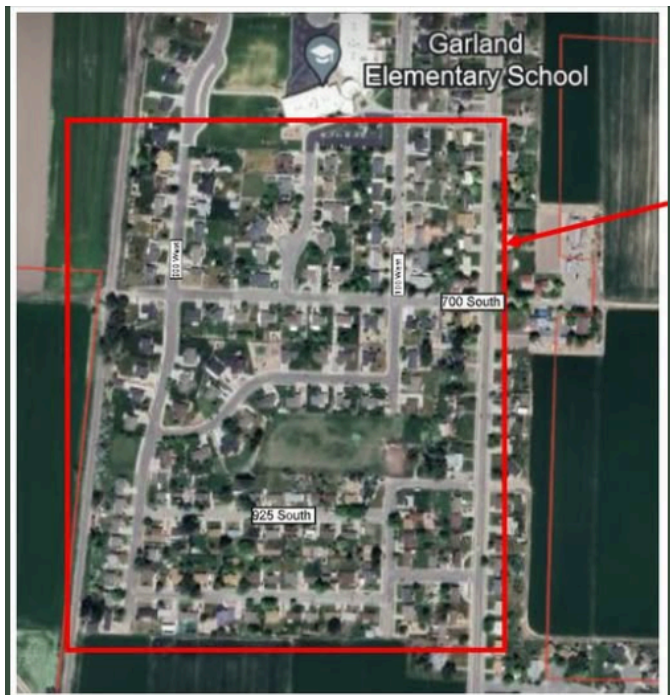

Snow Removal Reminder

Parking Prohibited During Snow Removal: To ensure effective snow removal this winter and maintain safety, no vehicles may be parked on City streets during snow removal operations. This parking restriction is in effect when snow is actively being cleared and any time snow removal is deemed necessary. We appreciate your cooperation in helping us keep our roads clear and safe for everyone. (Code 5-8-3R) Property owners are responsible for promptly clearing snow from the sidewalks in front of their properties. If snow is not removed, the city may clear it and charge the cost to the owner. Please remember that snow from the sidewalk and driveways cannot be shoveled, blown, or plowed in

the street or public right-of-way. Thank you for helping keep our sidewalks safe! (Code 6-1-11)

Emergency Preparedness

Garland City is studying basement flooding issues in the area just south of Garland Elementary; city residents who live in Kirkland Estates (as shown on the flood study map), please complete the survey. Garland City Youth Council will deliver a paper copy of the survey to residents in the area. If you need internet access, visit the Garland Public Library. If you have any flood photos to share, please email them to lanette@garlandutah.org, including your address. Thank you for your help!
